

Emergency First Aid for Schools

This course is specifically designed for teachers and support staff who work within the school environment.

The Emergency First Aid for Schools requires 6 hours contact time and ongoing assessment with one of our expert trainers. Our trainers will cover various topics relevant to your school.

Depending on the type of school or college that you work in, we can tailor the course to best suit the

casualties you may have to deal with. Talk with one of our friendly training advisors to learn more.

This course meets all of the OFSTED requirements for first aid provision in schools.

Our students will learn about:

- The first aider's role in the workplace (including the use of equipment and record keeping)
- Incident management
- How to deal with conscious and unconscious casualties (including CPR training)
- First aid for shock, choking and seizures, bleeding and common minor injuries

Price includes:

- Professional Instruction
- All course materials
- Glossy A5 first aid manual
- Certificate valid for 3 years

Maximum 12 delegates per course.
