

TQUK Level 2 Award in Cardiopulmonary Resuscitation and Automated External Defibrillation

This course will give you a Level 2 Award in Cardiopulmonary Resuscitation and Automated External Defibrillation.

To complete our AED and CPR course, four hours contact time is needed with one of our professional trainers in which we can teach a maximum of 12 learners. Our trainers will bring the training version of the AED you have on premises, or a generic unit if that suits better.

Our students will learn about:

- ✚ Understand basic life support requirements
- ✚ Be able to demonstrate basic life support techniques and
- ✚ automated external defibrillator use in line with current national guidelines
- ✚ Be able to demonstrate post resuscitation procedures
- ✚ Be able to carry out basic user maintenance and troubleshoot problems with an automated external defibrillator
- ✚ Understand the safe use of an automated external defibrillator
