

# TQUK Level 3 Award in First Aid at Work with Level 2 AED Bolt-on (RQF)

It takes 18 hours to complete this 3 day course including the assessments. Unit 1 highlights the basic principles of first aid, whereas Unit 2 looks at complex medical emergencies. The bolt-on trains and assesses learners in the use of AEDs for an extra qualification.

## Unit 1 - Our students will be able to:

- Understand the role and responsibilities of a first aider and assess an incident
- Manage an unresponsive casualty who is breathing normally
- Manage an unresponsive casualty who is not breathing normally
- Recognise and assist a casualty who is choking
- Manage a casualty with external bleeding
- Manage a casualty who is in shock
- Manage a casualty with minor injury for choking, external bleeding, shock and minor injuries

## Unit 2 - Our students will be able to administer first aid to a casualty with:

- Injuries to bones, muscles and joints
- Suspected head and spinal injuries
- Suspected chest injuries
- Burns and scalds
- An eye injury
- Sudden poisoning
- Anaphylaxis

## Level 2 AED Bolt-on: our students will learn about:

- Heart conditions and sudden cardiac arrest
- Basic Life Support (including CPR training)
- Resuscitation Council (UK) guidelines (and any updates they have made)
- AEDs - what they do, how they do it, and how to use them

*All dates booked over 30 days in advance can be confirmed immediately and will be a guaranteed booking*

This course is registered with TQUK (Ofqual approved).

## Price includes:

- Professional Instruction
- All course materials
- Glossy A5 first aid manual
- 2 QCFs worth 3 credits
- TQUK qualifications valid for 3 years
