

Basic Life Support Course

This two hour course is delivered on your premises, on a date that suits you.

As this course is only two hours long, we have streamlined it to recap the most important material, and our trainers will cover any guidelines or regulations that may have altered.

Our students will learn about:

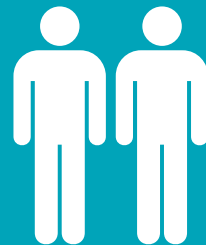

- ✚ The first aider's role and incident management
- ✚ How to deal with conscious and unconscious casualties (including CPR training)
- ✚ First aid for shock, bleeding and wounds

2 hours

Minimum 3 learners

Maximum 20 learners

1 Year

Price includes:

- ✚ Professional Instruction
- ✚ All course materials
- ✚ Qualification, valid for 1 year
