

IOSH Directing Safely

This one day course is aimed at Executive and Key Managers who wish to raise their awareness of Health & Safety Legislation.

The course also covers documentation and procedures required, with particular relevance to existing company policies and procedures.

At the conclusion of the course delegates will have a better understanding of their responsibilities for the Health & Safety of others. Delegates will be

able to promote a safer working environment and develop an effective safety culture in the workplace.

Our students will learn about:

- The Legal Framework
- Statutory / Common Law
- Risk Assessment
- Health & Safety Management
- The Root Causes of Accidents
- Requirements & Potential Penalties
- Financial Implications

All dates booked over 30 days in advance can be confirmed immediately and will be a guaranteed booking
