

IOSH Working Safely

Our IOSH Working Safely course is for people at any level and working in any sector. It will give them an understanding of health and safety essentials and why they must work safely.

Our Working Safely course runs over 1 day, including the written and practical assessments. Our experienced trainers will cover all criteria required by IOSH.

If you feel that a more in depth course is required, or you want train your management staff, have a look at our Managing Safely course.

Our students will learn about:

- Hazard, risk and risk assessment
- Identification of common hazards
- Improving safety performance
- Protecting the environment

All dates booked over 30 days in advance can be confirmed immediately and will be a guaranteed booking

This course is registered with TQUK (Ofqual approved).

Price includes:

- Professional Instruction
- All course material
- Examination paper, comprising multiple-choice questions (45 min)
- A workplace safety assessment project undertaken at the delegate's own workplace using a proforma guidance sheet
- IOSH certificate, valid for 3 years
